Alumatone™, the latest addition to Timely's extensive selection of finishes, provides the look of clear anodized aluminum in a steel door frame. Now, you can coordinate clear anodized aluminum exterior windows with color matching prefinished steel door frames from Timely. Timely's prefinished steel frames will meet your code requirements including full **90-minute fire ratings**.

New Alumatone™, like all Timely finishes, is a baked-on polyester base paint, applied in coil form to assure superior durability, performance and appearance. Five casing design options are available including 2 aluminum profiles offering the crisp lines of aluminum.

Timely is recognized as the originator of the prefinished drywall frame concept. For over 30 years, we've provided steel frames that feature full perimeter anchoring for extra strength and a snap-lock casing system plus matching borrowed lites and sidelites. Contact us now to learn more about the new Alumatone™ finish and the Timely prefinished steel door frame system.
