

# ABS-AMERICAN BUILDING SUPPLY, INC.

## *ABS is the Nation's Premier Door, Frame and Hardware Supplier*

ColledgeGuard doors by **Doormerica** with *HDF fully Finished skins* offer a unique upscale appearance with traditional solid core construction, and can be combined with the **Timely prefinished frame system** which offers ease of installation, and are furnished with sustained-tension clip-on casing. This combination will enhance any commercial opening providing strength and elegance for light commercial and hospitality applications. *Doors and frames are sold separately, not "Prehung"*.

### *ColledgeGuard Prestained Doors*

ColledgeGuard Prestained door skins are made from industrial grade HDF board developed and finished in a variety of colors and grain variations. These fully finished doors offer a deeper and bolder grain branding process for a unique and superior upscale appearance. Built with traditional solid core construction components ColledgeGuard Prestained Doors can be adapted to many popular applications.

Perfect for light commercial applications where a prefinished surface is desirable. ColledgeGuard Prestained Doors have a color coordinated pre-painted wood edge and are available in a variety of fire ratings. Made from environmentally friendly materials that are CARB II compliant as well as recognized by FSC, SCS that can help with LEED credits for MR4 Recycled Content.

**Location:** 4475 South Fulton Parkway, Building 6, Suite 200 • Union City, GA 30349

## TIMELY PREFINISHED OPENING CONCEPT

### STRENGTH AND STABILITY BY DESIGN

- 1) Frame comes prefinished and is installed AFTER the drywall is applied and painted
- 2) Anchors every 11" on both sides making the frame part of the structure
- 3) Frame installs in 2 trips to the opening: Material Distribution and Installation Labor
- 4) Frame allows for snap on Casing Options
- 5) Casing corner connector holds mitered casing corners in a tight fixed position
- 6) Hardware preparations are embossed

### MOD CAPABILITIES
