Floral, Saturn & Square rosettes fit over the frame's mitered casing corners, and are secured by one concealed center screw.

# Rosettes Rediscovered

*Timely gives Rosettes a new corner on beautiful door frames.*

*Now there are even more reasons to specify Timely's popular prefinished steel door frames. Three more, to be exact. Our Floral, Saturn & Square Rosettes.*

- Classic molded plastic rosette designs reminiscent of high quality wood millwork.
- Prefinished in Western White, custom colors or a primer that accepts any color clients may wish to apply on their own.
- Durable, lightweight heat/humidity resistant ABS plastic.

*The fire-rated Timely frame is applicable to commercial and residential buildings.*
