

This informative CD  
is as unique as our  
Timely Steel Door Frames.

Get rid  
of your  
door frame  
headaches  
in just nine  
minutes.

TA-23 Aluminum  
Casing in pefinished  
Alumatone®

- *Get the facts on the durability, economy and versatility of Timely door frames.*
- *See how easily these frames are installed.*
- *Review an extensive array of design and color options.*
- *Visit actual Timely installations.*

Just set the enclosed business card-size interactive CD on your computer's CD-ROM tray. About nine minutes later you'll know all the advantages-to you and your customers-when you specify Timely, America's leading manufacturer of prefinished steel door frames.
